

STEPS FOR SIMPLE STUDENT ENROLLMENT

NOTE: After you have entered your class in the system, your students must register individually for the class. Here are steps for students to register if they don't remember their username and password. This only works for students that have an existing CATEMA account. This makes the process a lot easier. If you have any questions, please feel free to contact the Outreach Department at 830-591-7262 or e-mail me at csilva@swtjc.edu.
